Gray

Introduction

1. Ephesians 4:1-2; 2 Peter 1:10; Acts 2:39
2. Many are confused about how God calls people today
3. Some think that God still talks to them directly 1 Kings 19:9-18
4. Today we want to study three calls that we all must answer one day!

II Discussion

1. The Gospel call 2 Thessalonians 2:14
 1. There is a call Acts 2:21; Romans 10:13
 2. There is a process to this calling Romans 10:14, believing, hearing, sending, verse 17 conclusion
 3. The necessity of this call then is hearing, believing repenting confessing and then being baptized.
2. The Macedonia Call Acts 16:9
 1. Come help us
 2. Some need help as in the first point Matthew 28:18-20; Mark 16:15-16; 2 Timothy 2:2
 3. Some need other help Galatians 6:10; James 1:27; Romans 15:25-27
3. Death's call Hebrews 9:27
 1. You may ignore the first two calls but this call is for everyone!
 2. There are only two places that one may go Luke 16:19-31; Matthew 25:31-46
 3. If we answer the first two calls then we know where we will go 2 Timothy 4:6-8

III Conclusion

1. There is only one call you will answer, Death's call
2. The other two are optional, but they are important on where you will be for eternity.
3. Now is the time to decide about these calls 2 Corinthians 6:2
