 3. The Bible is dynamic Romans 1:16; Hebrews 4:12
2. How we got our Bibles
 1. The fidelity of the Bible is base on multiplicity of:
 1. 5,000 manuscripts, is a handwritten composition of the original language
 2. 9,000 versions is from one language into another language
 3. 36,000 quotes
 4. 2,000 lectionaries church service books
 5. Numerous writings of men from the first and second century
 2. We do have the Word of God today
3. The unity of the Bible shows it is from God
 1. Written by 40 men
 2. Written over a period of 1500 years
 3. Written in different languages Hebrews and Greek for the most part
 4. There is not contradiction in all of the Bible
4. The purpose of the Bible shows it is from God
 1. Men are lost Romans 3:23
 2. The Bible tells of God's love for us John 3:16
 3. The Bible tells us how to have sin removed 1 Peter 1:18-19; Acts 22:16

III Conclusion

1. Will you believe the Bible
2. All of this is true that we have discussed today
3. They who not obey the commands contained in the Bible that apply to you
4. Then enjoy the promises that are in the Bible
