At late or early hour.*

*To lose one's wealth is sad, indeed,  
To lose one's health is more;  
To lose one's soul is such a loss,  
And no man can restore.*

*The present only is our own,  
Live, Love, toil with a will;*

*Place no faith in "Tomorrow"*  
*For the clock may then be still.*

1. Everyone here is confronted with this question, "What is YOUR life?"
2. Everyone here needs to ask what they are doing with their life.
3. If the direction of your life is wrong, only is this life can that be changed
4. If the direction is wrong then the destiny will be wrong
5. If the purpose is wrong the destiny will also be wrong
